#### I. <u>Background</u>

The Association is a not-for-profit corporation whose mission is to enhance the quality of life in the Little Five Points community by uniting and coordinating the efforts of local businesses and by creating a vibrant local park. The Association also strives to empower neighbors to act collectively for community development. The Association's mission includes developing, managing, maintaining, and enhancing Findley Plaza, a City-owned park located at the intersection of Moreland Avenue and Euclid Avenue in Atlanta, Georgia, and more particularly described on Exhibit A attached hereto and by this reference incorporated herein (the "Park"), to the benefit of both the citizens of Atlanta and its many visitors. The City desires to assist the Association with this mission.

The purpose of this MOU is to lay the foundation for a cooperative working relationship between the Parties, and to establish the role of each Party in that relationship, as the Parties work together to further their common goal of developing, managing, and enhancing the Park. Development, management, and enhancement of the Park shall include but not be limited to the design, installation and maintenance of improvements to the Park; maintenance of the Park so that it is consistently in a safe and attractive condition; organization of educational and recreational programs to be provided at the Park; and development and implementation of guidelines governing the coordination of major events, and educational and recreational programs. While pursuing the goals set forth in this MOU, the Parties will remain sensitive to the impact of work and activities in the Park upon residents of the surrounding neighborhoods and will strive to accomplish these goals in a manner that minimizes disruption to the neighbors.
